

## Korea-EU S&T Cooperation Policy Foresight

KORANET Workshop, Vienna  
7-8 June 2010

Dirk Johann, ZSI

<http://www.koranet.eu>

## Objectives

- Part of KORANET WP2 „Strategy and Foresight“ → designed to lay the basis for the implementation of a new, co-ordinated and joint funding scheme and is responsible for the long-term strategy of KORANET
- From the analysis of the state-of-the-art in EU-Korea S&T co-operation (of KORANET members) → to the development of a strategic foresight-based framework for S&T co-operation priority setting within the KORANET
- **First day:** Presentations on the S&T internationalisation strategy
- **Second day:** Identification of the drivers of future EU-Korea S&T cooperation policy (interactive foresight exercise with experts) → basis for the formulation of mid-term S&T policy recommendations for co-operation between the EU and Korea

<http://www.koranet.eu>

## Phases

### Exploration phase

Compilation of information on the S&T co-operation potential of the ETPs with Korea

Compilation of information on the S&T co-operation potential of the Korean GRIs with Europe

Establishment of a panel of international experts with specific competencies on Korea-EU scientific co-operation

Vision building exercise to explore multiple possible scenarios for future collaboration

Formulation of recommendations for sustainable mid-term S&T co-operation policy between the EU and Korea

Documentation (synthesis report) and presentation (conference) of the foresight exercise
